Surface cleaner

Maintenance cleaning

10ml/1L | 1:100 (1%)

Glass cleaning

3.33ml/1L | 1:300 (0.3%)

Description

Bio Food Safe Cleaner is a biotechnological all-purpose cleaner and effective degreaser for the food and food processing industries. It works quickly and thoroughly on all surfaces, including tiled floors and walls. Bio Food Safe Cleaner is approved for food contact surfaces (**HACCP-compliant**).

Technology

The technology used is based on a combination of readily biodegradable surfactants and active fermentation extracts. The carefully coordinated ingredients deliver exceptional cleaning results, completely without the use of chemical acids or bases. bee*pure® Bio Cleaner Food Safe is pH neutral. The fermentation extracts work on and dissolve the contaminants.

Ingredients

5–15% non-ionic surfactants, <5% amphoteric surfactants, enzymes, colorant, preservative. Refer to the Technical Data Sheet for further information. Dispose of residues at recycling facilities in an environmentally friendly manner. EUH208 – Contains a mixture of: 5-chloro-2-methyl-2H-isothiazol-3-one and 2-methyl-2H-isothiazol-3-one (3:1). May produce an allergic reaction.

Dosage

1:100 to 1:300. Dilute with cold water.

The hardness of the water can influence the required dosage.

For professional use only.

Scope of application

Bio Food Safe Cleaner is ideal for cleaning counters, sinks, tools, cutting boards, glass, walls and floors.

Instructions for use

Surface and glass cleaning::

1. Prepare cleaning solution.
2. Distribute the cleaning solution and let it work for 5 minutes.
3. Play with clean water.

Cleaning bath:

1. Place kitchen utensils in the cleaning solution.
2. Leave on for 15 minutes.
3. Clean with a sponge or brush.
4. Play with clean water.

Cleaning instructions

- Follow our dosage recommendation as this will save costs and is environmentally friendly.
- Do not mix the Bio Food Safe Cleaner with other cleaning agents.
- Always clean from top to bottom or from cleanest to dirtiest portion.
- Do not use the cleaner on natural stone floors or untreated wooden floors. floors (a haze may form).
- Only leave the setting of the bee*pure® dosing system to our service employees.
