### Description

LIVI 3 is the solution for anyone who wants to replace their linoleum and vinyl floors in old glory wants to restore. This ready-to-use floor renovator is not only easy in use, but also environmentally friendly and low in VOC. The special formula of LIVI 3 not only restores the shine and color of your floors, but also protects they also withstand daily wear and tear. This makes the floors last longer and they remain they also look well maintained over time.

### technology

The technology used is based on the combination of easily biodegradable surfactants and natural bacterial cultures. These ingredients provide exceptional degreasing results without the use of organic solvents with high pH values. The bacterial cultures also remove unpleasant odors from drains and ditches.

### components

<5% non-ionic surfactants, perfume, preservatives.

EUH208 - Contains reaction mass of: 5-chloro-2-methyl-2H-isothiazol-3-one and 2-methyl-2H-isothiazol-3-one (3:1). May cause allergic reactions.

### dosage

Ready to use.

For professional use only.

### domain

LIVI 3 is ideal for the final treatment of soft floor coverings. It naturally improves the original attractiveness of the coating and makes the daily maintenance of these surfaces considerably easier.

### Instructions for use

Once the surface is clean, dry and free of abrasives: 1. Spray the LIVI 3 Floor Restorer onto the surface. 2. Polish the surface with a polishing machine at 300 rpm. 3. Move the polisher or single-disc machine slowly horizontally and back again (circular movements). This technique creates a molecular entanglement that breathes new life into the surface. CAUTION! **Never** stand still with the polisher in one place!

### cleaning instructions

- Do not mix LIVI 3 with other cleaning agents.
- Always clean from top to bottom or from cleanest place to cleanest place. the dirtiest area.

DANGER! Do not use on ceramic sealed floors, vinyl tiles with polishes, wood, laminate floors and all waxed surfaces.
