## Description

Bio is a biotechnological universal cleaner and effective degreaser for the food and food processing industry. It works quickly and thoroughly on all surfaces, as well as tiled floors and walls. Bio Cleaner Food Safe is approved for surfaces in contact with food (**HACCP compliant**).

## technology

The technology used is based on the combination of easily biological degradable surfactants and active fermentation extracts.

The precisely matched ingredients ensure extraordinary cleaning results and completely eliminate the use of chemical acids and bases. bee\*puur®

Organic cleaner, food safe, pH neutral. The fermentation extracts work into the impurities and dissolve them.

## components

5-15% non-ionic surfactants, < 5% amphoteric surfactants, enzymes, dyes, preservatives. For more information, please refer to the Technical data sheet. Dispose of residual materials in an environmentally friendly manner at recycling companies. EUH208 - Contains mixture of: 5CHLOR-2-METHYL-2H-ISOTHIAZOL-3-ONE and 2-METHYL-2H-ISOTHIAZOLE-3-ONE (3:1). May cause allergic reactions.

## dosage

1:100 to 1:300. Dilute with cold water.

The hardness of the water can influence the required dosage.

**For professional use only.**

## domain

Organic food safe cleaner is ideal for cleaning counters, sinks, tools, cutting boards, glass, walls and floors.

## instructions for use

Surface and glass cleaning:

1. Mix the cleaning solution.
2. Spread the cleaning solution over the stain and let it soak in for 5 minutes.
3. Rinse with clean water.

Cleaning bath:

1. Place the utensils in the cleaning solution.
2. Let it sit for 15 minutes.
3. Clean with a sponge or brush.
4. Rinse with clean water.

## cleaning instructions

- Follow our dosage recommendations as this will save costs and protects the environment.
- Do not mix Bio Cleaner Food Safe with other cleaning agents.  
Please.
- Always clean from top to bottom or from cleanest place to cleanest place.  
the dirtiest area.
- Do not use the cleaner on natural floors and unsealed wooden floors (grey (if possible)).
- Leave the bee\*puur® dosing system settings for our service staff only.
